

## PRODUCT SPECIFICATION

### 1. Product Identification

|                            |                                                                                   |
|----------------------------|-----------------------------------------------------------------------------------|
| <b>Product code</b>        | BC803                                                                             |
| <b>Product Description</b> | Baking Cups                                                                       |
| <b>Product Image</b>       |  |
| <b>Composition</b>         | Foil-lined Paper                                                                  |
| <b>Unit Barcode</b>        | 5060543481013                                                                     |
| <b>Tariff Code (UK)</b>    | 4823699000                                                                        |
| <b>Tariff Code (US)</b>    | 48236990                                                                          |
| <b>Country of Origin</b>   | China                                                                             |

### 2. Intended use and Food Contact Material

|                              |                                                        |
|------------------------------|--------------------------------------------------------|
| <b>Intended use</b>          | For baking                                             |
| <b>Food Contact Type:</b>    | Cakes and Cupcakes/Baked goods and other Confectionary |
| <b>Food Contact Material</b> | Foil                                                   |
| <b>Age Restrictions</b>      | N/A                                                    |
| <b>Warnings</b>              | Included in products Labelling                         |

### 3. Physical Properties

|                              |            |
|------------------------------|------------|
| <b>Colour</b>                | Light Blue |
| <b>Odour</b>                 | Odourless  |
| <b>Cleaning Instructions</b> | N/A        |

#### 4. Storage and Transportation

|                          |                                   |
|--------------------------|-----------------------------------|
| <b>Storage Condition</b> | Store in a cool, dry place.       |
| <b>Packaging Type</b>    | Cardboard or plastic              |
| <b>Transportation</b>    | Transport at ambient temperature. |

#### 5. Compliance

|                                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
