

## PRODUCT SPECIFICATION

### 1. Product Identification

|                            |                                                                                   |
|----------------------------|-----------------------------------------------------------------------------------|
| <b>Product code</b>        | MS159                                                                             |
| <b>Product Description</b> | Shapes Plunger Cutters - Medium Square (10mm / 0.4")                              |
| <b>Product Image</b>       |  |
| <b>Composition</b>         | ABS Thermoplastic                                                                 |
| <b>Unit Barcode</b>        | 5060281181503                                                                     |
| <b>Tariff Code (UK)</b>    | 3924900090                                                                        |
| <b>Tariff Code (US)</b>    | 39249000                                                                          |
| <b>Country of Origin</b>   | South Africa                                                                      |

### 2. Intended use and Food Contact Material

|                              |                                                        |
|------------------------------|--------------------------------------------------------|
| <b>Intended use</b>          | For baking                                             |
| <b>Food Contact Type:</b>    | Cakes and Cupcakes/Baked goods and other Confectionary |
| <b>Food Contact Material</b> | ABS Thermoplastic                                      |
| <b>Age Restrictions</b>      | N/A                                                    |
| <b>Warnings</b>              | Included in products Labelling                         |

**3. Physical Properties**

|                              |           |
|------------------------------|-----------|
| <b>Colour</b>                | White     |
| <b>Odour</b>                 | Odourless |
| <b>Cleaning Instructions</b> | N/A       |

**4. Storage and Transportation**

|                          |                                   |
|--------------------------|-----------------------------------|
| <b>Storage Condition</b> | Store in a cool, dry place.       |
| <b>Packaging Type</b>    | Cardboard or plastic              |
| <b>Transportation</b>    | Transport at ambient temperature. |

**5. Compliance**

|                                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
